PATIENT ACKNOWLEDGMENT - SERVICE ANIMALS

Patient Name: _____

Date of Birth: _____

I am the patient or the patients' representative with legal authority to execute this Acknowledgement on behalf of the patient. I understand that Tottori Allergy & Asthma Associates has adopted a policy regarding service animals to provide a reasonable accommodation to people with disabilities who utilize service animals. In accordance with such policy and applicable laws and regulations, service animals may be present in the practice's facility. I acknowledge and understand that I may encounter service animals or pet dander in the facility, and that the practice has made available a copy of its service animal policy to me upon request.

I have decided to seek care at the practice, being informed that I may encounter service animals or pet dander which could prompt a systemic reaction. I understand that such a reaction is rare, but can be life-threatening, and that if I have unstable asthma or am extremely sensitive to the allergens, I may have a higher chance of developing a reaction.

If you have any questions about your treatment for allergies and/or asthma, please contact Manny Testa/Administrator at 702-240-4233.

I have read and acknowledge that the above statements are true and correct, and that any questions I have about service animals at the practice have been answered satisfactorily. I certify that I am a competent adult of at least 18 years of age.

“Please notify our office prior to your appointment if you utilize a service animal so that we may make accommodations to assist you, while also safeguarding the health and safety of others in our offices, many of whom are asthmatic and/or severely allergic to pet dander.”
